

# 99NICU NEWS

## 50th issue, 6th anniversary

While writing up this 50th newsletter, I think about 99nicu becoming six years old ([anniversary 11 May!](#)). I'm not thinking about achievements, but new future goals for the 99nicu Team, now including six new [99nicu ambassadors!](#)

Regionalization of neonatal intensive care is a hot topic and the latest [99nicu Poll](#) is about policies on regionalization and how they work in practise.

The Acta Paediatrica supplement with [EBNEO review articles](#) is now online. Free full text access!

Among the new topics, I'd like to highlight a [web site on echocardiography](#). A great initiative by Alan Groves!

Greetings from Stockholm!
