

# Neonatal Difficult Airway Course

MPROVE  
MULTIPROFESSIONAL SIMULATION IN NEONATAL EDUCATION

# Programme

0800-0830 Registration

0830-0900 Introductions

## Session 1 -Crisis Resource Management in Neonatal Airway Management

0900-0930 Team Approach to Management of any Neonatal Emergency (SEM)

0930-1000 Preparing for Human Factor Issues in Neonatal Emergencies

1000-1030 Approach to the Anticipated Neonatal Airway Emergency

1030-1100 Tea and Coffee

## Session 2-Difficult Neonatal Airway

1100-1230

- Approach to Difficult Neonatal Airway
- Instructor 1

Workshop

1

- Neonatal Difficult Airway Trolley
- Instructor 2

Workshop

2

- Drugs in Neonatal Airway Management
- Instructor 3

Workshop

3

## Session 3-Video laryngoscopy

1200-1230 Videolaryngoscopy in Neonatal Airway Management

1230-1300 Difficult Airway Management-VL Approach

## Session 4-Videolaryngoscopy Training

1330-1500

- Videolaryngoscopy in neonates (CEMACH)

Workshop 1

- Glidescope use in neonates

Workshop 2

- Peak Medical VL

Workshop 3

**Session 5 Airway Adjuncts**

**& Newer Devices**

**1500-1600 (Groups Rotate**

**every 20 minutes)**

Task Training

Bougie Intubation

Task Training

I Gel/LMA

Task Training

Airtraq

**Session 6 Immersive**

**Simulation**

**1630-1830 (Groups Rotate**

**every 40 minutes)**

Task Training

Simulation 1

Task Training

Simulation 2
