

9th Neonatal Nutrition Network Study Day

Wednesday 27th September 2023 | 09:00 - 17:00

This very successful multi-professional study day will aim at exploring a range of topics related to the nutritional needs of premature and sick babies. Following talks from expert speakers, participants will have the opportunity to apply their knowledge to a range of case studies in small multi-professional groups.

Who should Attend?

- Any professional involved in the care of babies in neonatal units
- Paediatricians and Neonatologists at all levels
- Paediatric & Neonatal: Gastroenterologists, Surgeons, Pharmacists, Nurses
- Dietitians, Speech & Language Therapists and Occupational Therapists

Topics:

- Updates on neonatal nutrition
- Probiotics use
- Feeding in neonates with BPD
- Optimal energy and glucose requirements
- Implementation of DEBM framework
- Early fortification for the preterm neonate
- Metabolic Bone Disease
- Nutrition of the late preterm

Cost:

- £100 - AHP/Nurses early bird (until 7th August)
- £140 - Trainee & Trust Grade Doctors early bird (until 7th August)
- £185 - Consultants early bird (until 7th August)
