

10th Neonatal Nutrition Network Study Day

2nd October 2024

Organised by Dr. Christina Kortsalioudaki, Dr Chris Forster, Ms Pam Stepney, Dr Mark Johnson

This very successful multi-professional study day will aim at exploring a range of topics related to the nutritional needs of premature and sick babies. Following talks from expert speakers, participants will have the opportunity to apply their knowledge to a range of case studies in small multi-professional groups.

Who should Attend?

- Any professional involved in the care of babies in neonatal units
- Paediatricians and Neonatologists at all levels
- Paediatric & Neonatal: Gastroenterologists, Surgeons, Pharmacists, Nurses
- Dietitians, Speech & Language Therapists and Occupational Therapists

Topics

- Updates on neonatal nutrition
- Psychological aspects of feeding
- Individualised nutritional care
- Human milk fortifiers
- NeoTRIPS collaboration on early breast milk
- Early milk feeding and fortification
- Metabolic Bone Disease
- Nutrition of the late preterm

Cost early bird

- £100 - AHP/Nurses
- £150 - Trainee & Trust Grade Doctors
- £195 - Consultants
- £70 - virtual attendance (all lectures and select workshops will be screened)

Cost standard

- £135 - AHP/Nurses
- £185 - Trainee & Trust Grade Doctors
- £230 - Consultants
- £70 - virtual attendance (all lectures and select workshops will be screened)

We only accept registrations from healthcare professionals who work in acute or primary care. Colleagues working in other industries cannot register as a delegate.
