

Orphan Europe invites you to participate in an **interactive webcast** from United Kingdom

Echocardiographic Assessment of PDA

Thursday 26th of November at 3pm CET

Presented by:

Dr Nim Subhedar, Consultant Neonatal Paediatrician NICU Liverpool Women's Hospital

Dr Subhedar is working at the Neonatal Unit at Liverpool Women's hospital, the largest of its kind in the UK. Dr Subhedar has been a Consultant for over 16 years, and is often giving lectures about PDA during International Conferences.

We are very pleased to invite you for a live webcast with Dr Subhedar who will present the **“Echocardiographic assessment of a PDA”**
