WHY YOU SHOULD ATTEND

Become an expert in:

- * Physiology of Kangaroo Care (KC) and skin-to-skin care (SSC)
- * KC for the term infant
- * KC for the late preterm infant
- * KC and breastfeeding
- * KC and NICU developmental care practices
- * Sudden Unexpected Postnatal Collapse (SUPC)
- * Monitoring during KC
- * How to implement KC in your institution
- * Overcoming obstacles to KC in your unit
- * KC resources
- * And more!

COURSE SYLLABUS

When you register you will be given online access for the course e-syllabus (400 + pages). You are responsible for printing this if you wish. No printed copies will be available or provided at the course.

You will be given the KC/SSC Learner's Manual (450+ pages) at the course.

PRE-COURSE REQUIREMENTS

After you register, you will be given on-line access to the three pre-course lectures. Before attending the course, you must complete the three pre-course lectures and pass each exam on-line. Passing score is 80%. After you have successfully passed the three pre-course exams, you need to print the certificate of completion. Bring it with you on Day 1 of the course.

IMPORTANT: You must have this completion certificate to be eligible to attend the course and take the certification exam.
